Estilo Text is Dino dos Santos's expert extension to his popular Estilo and Estilo Script fonts. This six style set includes advanced typesetting features, giving the typeface added usefulness beyond display settings.

Double-storey a's and old style figures make for optimal readability. A full Central European character set, international currency symbols and a full palette of traditional ligatures make Estilo ready for copy setting all over the world. Of course, Small Caps and Tabular Figures are standard fare for any DStype release and are included.

Pack my box with five dozen liquor jugs. Waltz, nymph, for quick jigs vex Bud. Sphinx of black quartz judge my vow. Crazy Fredericka bought many very exquisite opal jewels. How razorback-jumping frogs can level six piqued gymnasts! Jaded zombies acted quaintly but kept driving their oxen forward. Six big juicy steaks sizzled in a pan as five workmen left the quarry. Will Major Douglas be expected to take this true-false quiz very soon? The juke box music puzzled a gentle visitor from a quaint valley town. Just work for improved basic techniques to maximize your typing skill. Sixty zippers were quickly picked from the woven jute bag. A mad boxer shot a quick, gloved jab to the jaw of his dizzy opponent. Jackdaws love my big sphinx of quartz. We promptly judged antique ivory buckles for the next
