Breuer Condensed is a mechanical sans ideal for captions and headline settings, and may also be suitable for moderate lengths of body copy with its comprehensive offering of OpenType features. The italics are optically adjusted obliques with a selection of augmented lowercase glyphs to provide a warmer read. The overall design ensures a distinct aura of technical precision in a personable tone.

This family of eight fonts is designed to accompany the Breuer Text and Breuer Headline sets released in 2007. Breuer Condensed offers a 76% narrower footprint compared to Breuer Text and is fine-tuned to render typographic color equivalent to each sibling Text weight.

How razorback-jumping frogs can level six piqued gymnasts! Jaded zombies acted quaintly but kept driving their oxen forward. Six big juicy steaks sizzled in a pan as five workmen left the quarry. Will Major Douglas be expected to take this true-false quiz very soon? The juke box music puzzled a gentle visitor from a quaint valley town. Just work for improved basic techniques to maximize your typing skill. Sixty zippers were quickly picked from the woven jute bag. A mad boxer shot a quick, gloved jab to the jaw of his dizzy opponent. Jackdaws love my big sphinx of quartz. We promptly judged antique ivory buckles for the next prize. The sex life of the woodchuck is a provocative question for most vertebrate zoology majors. Ebenezer unexpectedly bagged two tranquil aardvarks with his jiffy vacuum cleaner. King
